EDUCHANGE
PARTNERSHIP PROGRAM
We offer donors a clear overview of partnership categories based on their level of financial support.
Choose the level that best matches your capacity and interests, and join us in building a collaborative network for Czech education.

WHAT DO YOU GAIN AS A PARTNER?

Regular in-person meetings with Educhange's leadership
— Strategic discussions on trends in education and the impact of your support.

Visits to regions and schools
— See participating schools first-hand and meet the people implementing change in the regions.

Standardized reports
— Clear information on the impact of your support, prepared so you can use it directly for internal reporting.

Workshop for your company
— A program for employees focused on education and future-focused skills development.

Special program for partners
— Exclusive meetings, dinners, and cultural events connected to the topic of education.

HOW WILL WE PRESENT YOU?

Visibility among education partners
— Your logo on Educhange's website and in its published materials provides a clear signal that you support systemic change in education.

Participation in expert discussions on education
— Opportunities to speak at selected Educhange events and contribute to discussions on trends and the future direction of education in Czechia.

Sharing your story
— A profile and interview featured on our website, in the Edunovinky newsletter, and on social media, presenting why and how you support education.

Joint public communication
— Communication and media coverage of agreed topics that strengthen your role as a partner in education.

Content from school practice
— Specific stories and short videos from the places where your support is bringing change to schools.

“School has a profound impact on what we go on to achieve in life. It helps children develop their potential, critical thinking, ability to cooperate, and relationships with others. These are the kinds of schools we want for every child.”

Zdeněk Slejška, Director
Educhange Endowment Fund

Through your donation, you invest in better education in regions across Czechia. You help schools support students more effectively, strengthen regional cooperation, and create lasting change.
